FCC Mail Room

The purpose of this memo is to serve as a letter of hardship, requesting time to obtain sponsorship and/or purchase the closed captioning software and machinery needed for our broadcasts. Due to the economic downturn, the decrease in tithes and offerings as well as the increased costs in maintaining our facilities, we are unable to purchase and maintain the equipment. Our goal is to be in compliance with the FCC requirement by the first quarter of 2013.

Thank you so much for your consideration,

Pastor Wendell Jones
